The *Journal of Virology* (ISSN 0022-538X), a publication of the American Society for Microbiology, 1913 I St., NW, Washington, DC 20006, is devoted to the dissemination of fundamental knowledge concerning viruses of bacteria, plants, and animals. Investigators are invited to submit reports of original research in all areas of basic virology, including biochemistry, biophysics, genetics, immunology, morphology, and physiology. Instructions to authors are published in the January issue each year; reprints are available from the editors and the Publications Office. The *Journal* is issued monthly, four volumes per year. The nonmember subscription price is \$185 per year; single copies are \$18. The member subscription price is \$35 (foreign, \$40 [surface rate]) per year; single copies are \$6.00. Correspondence relating to subscriptions, reprints, defective copies, availability of back issues, lost or late proofs, disposition of submitted manuscripts, and general editorial matters should be directed to the ASM Publications Office, 1913 I St., NW, Washington, DC 20006 (area 202 833-9680).

Second-class postage paid at Washington, DC 20006, and at additional mailing offices.

1982 Student Membership — American Society for Microbiology

1913 I St., NW, Washington, DC 20006

Any regularly matriculated student major in microbiology or a related field is eligible for election as a Student Member. Student Members have all privileges of membership except the right to vote and hold office in the Society.

Student Members receive the monthly *ASM News* and are entitled to subscribe to the Society's journals at member rates.

Memberships are initiated and renewed in January of each year. Unless there are directions to the contrary, membership nominations received prior to November 1 will be credited to the current year, and back issues of the selected publications for the current year will be furnished if available. Nominations received after November 1 will become effective the following January.
